

Sky 4.0 is an in-ceiling system ideally dimensioned for the reproduction of overhead and ambient spatialized sound. Tiny yet mighty, the four X4i loudspeakers composing Sky are capable of concert-like dynamics to enhance L-Acoustics Creations sound systems and sound spaces with an elevation layer that wraps the listener in a cocoon of sound.

## OVERHEAD SYSTEM

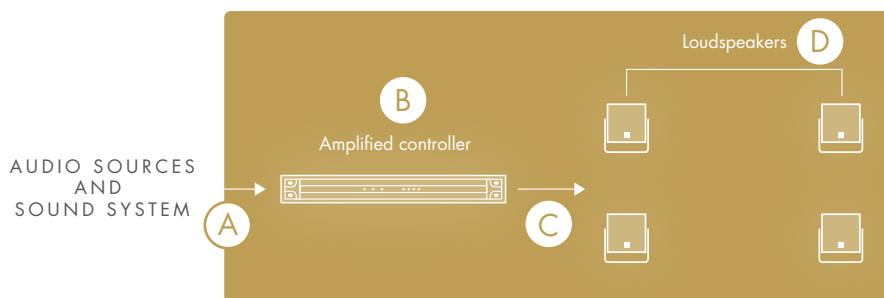

Reference listening position and speaker placement

Reference listening position and speaker placement

## COMPONENTS AND SYSTEM DIAGRAM

<b>A</b>	<b>Signal cables</b>	4 × RCA-XLR2: RCA to XLR (2 m)
<b>B</b>	<b>Amplification and processing</b>	1 × LA2Xi class D four-channel amplified controller, with connector panel and case
<b>C</b>	<b>Speaker cables</b>	4 × SP10 BE: speakON to bare ends (10 m)
<b>D</b>	<b>Full range loudspeakers</b>	5 × X4i 2-way passive coaxial loudspeakers: 4" LF + 1.4" HF diaphragm, with base plate

## GENERAL SPECIFICATIONS

### Audio system performance

Peak sound level	116 dB	Peak SPL unweighted at sweet spot using pink noise with 12 dB crest factor
Frequency bandwidth	120 Hz - 20 kHz	Range of frequencies within 10 dB of HF plateau, calibrated by factory preset
Output power	2,400 W	RMS power delivered by LA2Xi via 4 channels of amplification

### Technology

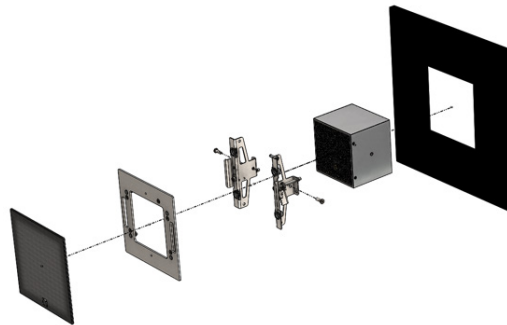

Loudspeaker technology	Concentric Driver Technology	Coaxial transducer designed for short throw applications
Loudspeaker transducer	4" LF + 1.4" HF	HF diaphragm compression driver mounted on neodymium LF transducer
Loudspeaker directivity	110° axisymmetric	At -6 dB from on-axis response, averaged over 1 - 10 kHz range

## ARCHITECTURAL SPECIFICATIONS

### Dimensions and weights

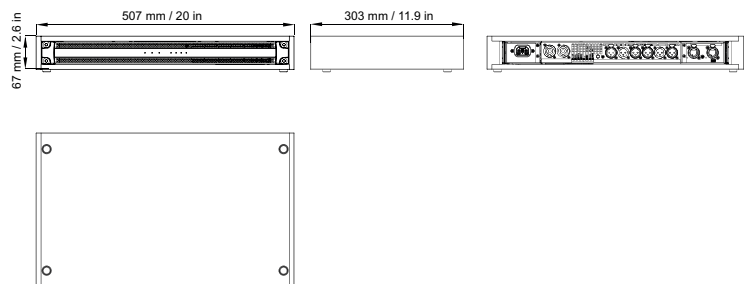

#### X4i with in-ceiling suspension kit

Weight (net)	1 kg / 2.2 lb
IP Rating	55

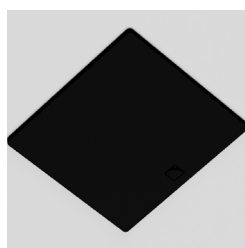

#### LA2Xi with case

Weight (net)	6.4 kg / 14.1 lb
IP Rating	2x

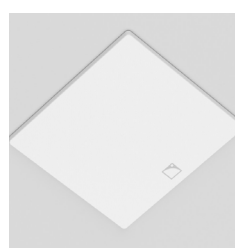

## FINISHES

The X4i and Syva Sub cabinets are made of premium grade Baltic birch plywood, protected with a bi-component hard coating for indoor and outdoor use. The loudspeakers exist in two exterior finishes: Dark Grey Brown and Pure White.

**Dark Grey Brown**

**Pure White**
